RailLog Korea, Asia’s leading business and networking platform for the railway technology, interior fittings, infrastructure and logistics industries, takes place biennially in Busan, South Korea – the natural starting point of the Trans-Asian Railway network.

With further growth potential for a feasible trans-Korean railway reconnection, and with a reconciliation atmosphere in the Korean Peninsula, the 9th edition of RailLog Korea will be held from 12–15 June 2019 at BEXCO in Busan.

2017 show highlights

Rolling stock mock-ups and railway vehicles on display
Alongside parts and components, rolling stock models and railway vehicles were exhibited across the 2017 show, anchoring RailLog Korea as the best market place for the railway industry.

Successful collaboration with key industrial conferences
RailLog Korea 2017 created a synergy effect by bringing together key stakeholders from various countries and regions, international organisations and private sectors in the railway industry. The first edition of the Global Smart Rail Conference (GSRC), which was organised by the Korean Ministry of Land, Infrastructure and Transport, was attended by government officials around the world as well as CEOs and experts from diverse railway sectors.

Austria Pavilion
The Austria Pavilion was organised once again by the Embassy of Austria Commercial Section in Korea, and was twice the size of its first appearance at the 2015 edition.

2017 exhibitor survey

I have to say this event was a great platform to receive a first impression of the Korean market and to meet new contacts from the local Korean railways. This exhibition was the right platform to introduce our products and technology as well.

Michael Steinkogler, International Sales Manager, LINMAG GmbH

RailLog Korea has proven once again to be an excellent meeting place for Austrian railway technology businesses interested in the Korean market. Feedback from participants at the Austria Pavilion were quite positive.

Caroline Adenberger, Commercial Attaché, Embassy of Austria Commercial Section

Numbers from 2017

163 exhibitors from 22 countries and regions
18,470 visitors including some 650 international buyers
